About Us.

Introduction

Kareen Gate has carved a niche in general trading, customs, and logistics, firmly establishing itself in both federal Iraq and the Kurdistan Regional Government (KRI). Founded by a team with deep industry experience, the company's core vision is to provide exceptional customer value through dedicated service. From its inception, Kareen Gate expanded its operations across Iraq, setting up offices in all major markets to offer uninterrupted service to clients nationwide.

The company boasts a global presence with over 250 agents spread across more than 450 locations on six continents, facilitating a wide array of services including NVOCC, logistics, shipping, warehousing, international trade consultancy, and both sea and air freight forwarding, along with customs brokerage. Kareen Gate prides itself on its integrated service approach, handling everything from basic port-to-port logistics to complex supply chain management. Strategic alliances with local suppliers and international air and ocean carriers allow Kareen Gate to provide superior routing and pricing, ensuring both flexibility and efficiency in managing client supply chains.

Mission & Vision.

MISSION

To excel in responsiveness and innovation, providing cost-effective supply chain and logistic solutions through open and honest partnerships with our customers. Our mission is to deliver the highest level of customer service, becoming the best personal communicators in our industry, while pioneering in general trading and procurement for the oil and construction sectors, and leading in specialty clearance at Erbil International Airport.

VISION

To become the best supply chain and logistics company in Iraq, with commitment to provide the highest quality service transparency, reliability, and efficiency of supply chain and logistics solutions operations, and move business through innovation, dedication, and passion. We aim to be pioneers in general trading and procurement for the oil and construction industry, as well as in specialty clearance at Erbil International Airport.

Our Philosophy.

At Kareen Gate, our philosophy is rooted in the belief that integrity, innovation, and collaboration are the cornerstones of exceptional service. We are dedicated to not only meeting but exceeding the expectations of our clients by fostering an environment where transparency, trust, and teamwork flourish. Our commitment to excellence is reflected in every detail of our operations, from our pioneering efforts in trading and procurement to our specialized services at Erbil International Airport. We believe that by pushing the boundaries of what's possible, by listening intently to our clients, and by relentlessly pursuing efficiency and quality, we can transform the landscape of supply chain and logistics in Iraq. Here, every challenge is an opportunity to innovate, every interaction is a chance to build lasting relationships, and every success is a step towards a more connected and efficient world.
